SPONSOR

invivo
retail

IHC, the international congress are the most important events organized every four years since 1959 under the auspices of the International Society for Horticultural Science (ISHS). ISHS is a world network whose vocation is to promote and encourage research and education and to facilitate cooperation and knowledge transfer globally by means of events and publications.

**all raw or processed products: fruit, vegetables, aromatic and medicinal plants, seeds and seedlings, ornamental plants, landscaping, vineyard, cider*

+ 100
COUNTRIES

+ 2,500
PARTICIPANTS

EVERY
4 YEARS

During the week: plenary sessions, 25 symposia, workshops, networking, exhibitions, technical visits, social programme. This 2022 edition is really dedicated to professionals **to encourage discussions among researchers and companies** about common problems, the latest discoveries and solutions for the future.

PROGRAMME

- From fundamental to applied research:
 - Food, health and citizen's well-being,
 - Adaptation to climate changes and mitigation of its impacts
 - Sustainability of production systems
 - Competitiveness of production sectors
- Call to communication by professionals
- Sessions for professionals translated into French
- Consideration of industrial issues and scientific challenges
- Discussions, networking, appointments, workshops
- 3 Programmes tailored to your needs
